TERMS AND CONDITIONS OF SALE

GENERAL – The term “Seller” shall refer to ATX Pool and Spa Supply, LLC and/or its authorized representatives. The term “Buyer” shall mean any person or entity purchasing merchandise, supplies, products or items from Seller. All sales made by Seller are subject to the terms and conditions described herein. All orders are subject to acceptance by Seller and Seller reserves the right to refuse to accept any order for any lawful reason, including but not limited to any errors.

PRICING – Pricing shown in this catalog and all price quotations made by Seller are subject to change without notice unless otherwise provided by Seller in writing. Price quotations, whether written or verbal, do not include any sales, excise, or other governmental tax or charge payable by Seller to federal, state or local authorities. Any taxes now or hereafter imposed upon sales to Buyer will be added to purchase price. Buyer agrees to reimburse Seller for any such tax or to provide Seller with an acceptable tax exemption certificate.

AVAILABILITY – Seller makes no guarantee that any item described in this catalog will be in stock for immediate sale at any time, unless otherwise specified. All items not in stock at the time of order by Buyer are subject to inbound freight charges where applicable.

CANCELLATIONS AND RETURNS – Orders for goods or parts of special design, size or materials are not subject to cancellation, and any refusal to accept delivery of these products will result in forfeiture of any deposit(s) received by Seller, and all freight charges involved will be invoiced to Buyer. All returns are subject to a restocking charge.

WAIVER OF WARRANTIES – Goods sold by Seller are warranted and guaranteed only by the original manufacturer of such goods to the extent and in the manner warranted and guaranteed by the manufacturer. All other warranties are excluded. Seller’s responsibility to give credit or replacement is limited to the extent that Seller is able to obtain equivalent credit or replacement from the original manufacturer of such goods. Buyer and Seller agree that Seller shall not be liable directly or indirectly for any consequential, incidental, special or indirect damages in any way arising from the sale, handling, installation or use of the Goods sold or from any other breach of this agreement. It is the Buyer’s responsibility to ensure that the Goods are the ones that it has requested and that all specifications and quantities are correct.
